International DivisionRESPONSE TO NOTICE OF ABANDONMENT

Sir:

This is in response to the Notice of Abandonment mailed October 2, 2000. It is stated in the Notice that the instant application is abandoned for Applicants' "failure to timely file a proper response to the Office letter mailed on Feb 2, 2000."

In the first place, neither Applicants nor their agent ever received the February 2, 2000 Office Letter referred to in the Notice of Abandonment. Thus, no response to said Letter was possible.

Secondly, and regardless of whether or not the Office Letter was ever received, the present application was filed under 35

U.S.C. §371. 35 U.S.C. §371(b) states that the National Stage of such an application shall commence with the expiration of the applicable time limit under PCT Article 22(1) or (2) or 39(1)(a) unless expressly requested otherwise in accordance with 35 U.S.C. §371(f). In the transmittal letter for the instant application, not only was early processing not requested but Applicants expressly requested that the National Stage processing of the application not commence until the expiration of the applicable time limit under the appropriate above-cited PCT articles.

Applicants provide herewith copies of the Demand, timely filed on December 22, 1999, and the Notification of Receipt of Demand by Competent International Preliminary Examining Authority. It is indicated on the Notification that the date of receipt of the Demand is considered to be December 22, 1999. Thus, in the present case, the applicable time limit had not expired at the time of mailing of the Office Letter and, for that matter, still has not expired; the applicable time limit in this case expires December 9, 2000, i.e., 30 months from the June 9, 1998 priority date.

In view of the foregoing, the processing by the Application Branch and the subsequent issuance of the Office Letter were premature. Accordingly, the application should be returned to the U.S. Designated/Elected Office and not be processed until the expiration of the applicable time limit. At that time, it would be proper to reissue the Official Letter originally mailed February 2, 2000. Should that happen, or should a new PTO

communication be issued, Applicants will respond in a timely and appropriate manner.

Neither the Office Letter nor the Notice of Abandonment should have been issued in the first place. No fees, including extension fees and fees to revive an abandoned application, should be due in connection with this response. However, should it be determined that a fee is required for any reason, the Assistant Commissioner is hereby authorized to charge it to Deposit Account No. 23-1703.

Dated: October 11, 2000
